Product of the Month

Filter Klenz

A simple & easy way to ensure you get the best performance out of your pool filter is to "treat" your filter to a **regular clean** at the start & the end of the swimming season.

Instant Filter Klenz has been designed to be used as part of the **regular cleaning routine** for all cartridge filters. It **quickly removes debris, oils, body fats** and dirt utilizing a unique "No Soak" formula to **minimize down time** of your pool, spa or hot tub.

Do you really want to be swimming in water that is passing through an oily, greasy sludge inside your filter?

MagnaPool Minerals

Pool Water that's the perfect balance for your health, wellbeing and for the environment.

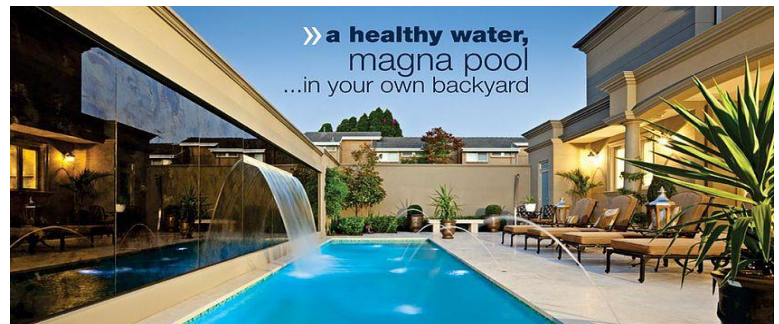

MagnaPool is a **unique blend of minerals** that helps to soothe skin conditions and relax & rejuvenate the body.

One of the key ingredients is **magnesium**, which is an essential mineral required by every organ in the human body.

Often referred to as the 'miracle' mineral, magnesium is a **valuable detoxifying agent**, a muscle relaxant and can help reduce the effects of stress and anxiety. It also plays a role in managing conditions such as **asthma, migraines, diabetes & high blood pressure**.

MagnaPool's revolutionary blend of minerals provides pool water that is a healthier and more environmentally friendly alternative to traditional pool salt.

Donemans Pool Centre are the **local stockists for Genuine Magna Pool Minerals**. Available In Store Now!!!

FREE Water Testing Instore

To keep your Pools and Spas sparkling at all times you'll need to check your water balance regularly. This is crucial to ensure a pleasant healthy swimming experience and to prolong the life of your pool surface & equipment. Our expert staff will work out the correct water balance for your pool or spa, based on years of experience and accurate computerised water testing.
